

CURRICULUM VITAE

NAME: Nancy J. Scherer

DATE OF BIRTH: November 7, 1949

PLACE OF BIRTH: Madison, Wisconsin
CITIZENSHIP: United States

ADDRESS: 1642 East Nighthawk Way
Phoenix, AZ 85048
(423) 335-6267 (cell)

FAMILY: Married January 2, 1982 to Richard H. Wilson, Ph.D.
Ashley Abigail Scherer Wilson, April 28, 1989

DEGREES:

- B.S. Speech-Language Pathology (1971)
University of Wisconsin-Madison
Madison, Wisconsin
- M.S. Speech-Language Pathology (1972)
University of Wisconsin-Madison
Madison, Wisconsin
- Ph.D. Language Development-Disorders (1980)
Department of Speech and Hearing Sciences
University of Washington
Seattle, Washington

PROFESSIONAL EXPERIENCE:

July 2013- present	Professor and Chair Department of Speech and Hearing Science Arizona State University Tempe, AZ
January 2004-present	Kennedy Center Scholar (In residence 1/04-6/04) Vanderbilt University Nashville, TN
2008-2013	Founding Dean College of Clinical and Rehabilitative Health Sciences East Tennessee State University Johnson City, TN
2007-2008	Interim Dean College of Clinical and Rehabilitative Health Sciences East Tennessee State University Johnson City, TN
2006-2007	Associate Dean College of Public and Allied Health East Tennessee State University Johnson City, TN
1999-2006	Professor and Chair Department of Communicative Disorders East Tennessee State University Johnson City, Tennessee
August 1996	Tenure granted East Tennessee State University Johnson City, Tennessee
August 1992-July 1999	Associate Professor Department of Communicative Disorders East Tennessee State University Johnson City, Tennessee
September 1991-August 1992	Adjunct Assistant Professor Department of Pediatrics Loma Linda University Medical School Loma Linda, California
September 1990-June 1992	Associate Professor, Communicative Disorders University of Redlands Redlands, California

PROFESSIONAL EXPERIENCE:

September 1985--August 1990	Director, Clinical Services Providence Speech and Hearing Center Orange, California
September 1984--August 1986	Coordinator, Speech-Language Pathology University Affiliated Program Department of Pediatrics Division of Developmental Disabilities and Clinical Genetics University of California, Irvine, CA
May 1984--August 1992	Clinical Assistant Professor Department of Pediatrics University of California, Irvine Irvine, California
October 1980 - August 1985	Director, Speech and Language Services Providence Speech and Hearing Center Orange, California
August 1980--December 1980	Lecturer Department of Communication California State University, Fullerton Fullerton, California
September 1977 - August 1980	Pre-Doctoral Fellow Language Development-Disorders University of Washington Seattle, Washington
September 1975 - August 1977	Assistant Professor and Clinic Supervisor University of Redlands Redlands, California
September 1973 - June 1975	Supervisory Speech-Language Clinician Madison Public Schools Madison, Wisconsin
September 1972 - August 1973	Speech and Language Clinician Madison Public Schools Madison, Wisconsin

PROFESSIONAL CERTIFICATION

1993	Tennessee State License--Speech Pathology (#1204)
1981	California State License--Speech Pathology (#4220)
1981	California Rehabilitative Services Credential
1973	Wisconsin Teaching Certificate, Speech Therapy, K-12
1973	Certificate of Clinical Competence--Speech-Language Pathology American Speech-Language-Hearing Association

SOCIETY MEMBERSHIPS:

2007-Present	Association of Schools of Allied Health
1998-Present	Velocardiofacial Foundation
1992-Present	Tennessee Speech and Hearing Association
1990-Present	American Cleft Palate-Craniofacial Association
1983-Present	Society for Research in Child Development
1980-1982	California Speech-Language-Hearing Association
1972-Present	American Speech-Language-Hearing Association

HONORS:

1998	Research Award, College of Public and Allied Health, ETSU
1977--1980	MCHS Pre-Doctoral Fellowship, University of Washington
1971--1972	Research Traineeship, University of Wisconsin
1971	Graduated with Distinction, University of Wisconsin

Task Force Membership

2012	International Expert Panel on Multilingual Children's Speech (2012). <i>Multilingual children with speech sound disorders: Position paper</i> . Bathurst, NSW, Australia: Research Institute for Professional Practice, Learning & Education (RIPPLE), Charles Sturt University. Retrieved from http://www.csu.edu.au/research/multilingual-speech/position-paper ISBN 978-0-9874288-0-6
2012-13	American Cleft Palate-Craniofacial Association Task Force: Beyond Eurocleft
2012-13	American Cleft Palate-Craniofacial Association Task Force: Where there are no speech therapists.

CURRENT RESEARCH and CLINICAL INTERESTS

Models of early speech and language intervention for children with cleft palate and craniofacial conditions

Speech assessment methods for children under 3 years of age

Parent training models for early speech and language intervention

International application of early speech and language intervention for children with clefts

CURRENT GRANTS

Principal Investigator

“Assessing delivery of an early speech intervention for children with clefts in Brazil”

NIH Fogarty International Institute/NIDCD

September 2013-August, 2016

Consultant

“Consortium for Promoting Cross-Linguistic Understanding of Communication Disabilities in Children”

US Department of Education-FIPSE/CAPES September

2010-August, 2014

PREVIOUS GRANTS

Director-Allied Health Programs

Expanded facility for Johnson City Community Health Center

HRSA-Facility Investment Program

Oct 1, 2009-Sept. 30, 2012 (\$6,900,000)

Principal Investigator

“An exploratory model of early speech intervention for children with cleft palate”

NIH NIDCD R21

July, 2009-June, 2011 (\$381,200)

Principal Investigator

“Training grant for teachers in Speech-Language Pathology” Tennessee Department of Education

July, 2009-June, 2012 (\$303,500)

Principal Investigator

“Training grant for teachers in Speech-Language Pathology” Tennessee Department of Education

July, 2008-June, 2009 (\$98,500)

Tennessee Department of Education

July, 2005-June, 2008 (\$214,500)

PREVIOUS GRANTS

Principal Investigator

"Training grant for teachers in Speech-Language Pathology" Tennessee Department of Education

July, 2003-June, 2004 (\$91,500)

Subcontractor

East Tennessee Autism Training Project

Tennessee Dept. of Education

January, 2003-September, 2003 (\$23,000)

Principal Investigator

"Training grant for teachers in Speech-Language Pathology" July, 2002-June, 2003 (\$86,500)

Principal Investigator

Plastic Surgery Foundation of America

"Early speech Intervention for Children with Cleft Palate" September, 2001-August, 2002 (\$20,000)

Fulbright Scholar

Goteborg University, Sweden

Dr. Anette Lohmander

May-June, 2001.

Principal Investigator

ETSU Research Development Committee-Small Grant

"Study of Parent-Implemented Language Treatment for Young Children with Cleft Palate"

July, 2000-June, 2001 (\$900)

Principal Investigator

Principal Investigator

"Training grant for teachers in Speech-Language Pathology" July, 2001-June, 2002

(\$69,500)

National Institutes of Health-AREA Grant

"Language Disorders in Preschoolers with Cleft Palate" June, 1998-May, 2001 (\$150,500)

Tennessee Dept. of Education

July, 2000-June, 2001 (\$43,500)

Principal Investigator

Small Grant-Research Development Committee "Comparison of Early vs. Late Palate Closure on Language Development in Children with Cleft Palate"

July, 1996-June, 1997 (\$1,000)

PREVIOUS GRANTS

Principal Investigator

National Institutes of Health-AREA Grant "Language Disorders in Toddlers with Cleft Palate"
June, 1995-May, 1998 (\$150,500)

Principal Investigator

United Way Innovative Research Grant
"Parent Training Program for At Risk Children"
September, 1983-August, 1984 (\$10,000)

Principal Investigator

Providence Speech and Hearing Center "Language Development in Children with Clefts"
December, 1989-November, 1990 (\$15,600)

Co-Principal Investigator

Department of Pediatrics

Loma Linda University, California

"Pediatrician Screening of Speech and Language: Development of a Valid, Reliable, Cost-Effective Method for Use in General and High Risk Pediatric Clinics"

January, 1992-December, 1992 (\$12,000)

Principal Investigator Research Development Grant East Tennessee State University

"Longitudinal Study of Children with Cleft Palate"

July, 1993-June, 1994 (\$6,000)

Faculty Instructional Grant

East Tennessee State University "Development of a Transcription Laboratory"

June, 1994 (\$2,500)

East Tennessee State University

"Early Language Delays in Children with Cleft Lip and Palate: Follow-up at 36 Months of Age"

January, 1995-December, 1995 (\$900)

Principal Investigator

Research Development Committee, Grant-in Aid "Computer Upgrade for Data Management"

December, 1995-May, 1996, (\$950)

TEACHING EXPERIENCE:

A. University of Wisconsin, Madison

1973 - 1975

Student Teaching

TEACHING EXPERIENCE:

B. University of Redlands, Redlands, California

1976 - 1977	Introduction to Communicative Disorders
1976 - 1977, 1990	Advanced Principles of Assessment
1977	Seminar: Clinical Report Writing
1977, 1990 - 1992	Theory and Practice in Clinical Evaluation
1977	Theory and Practice in Clinical Problems
1983, 1990 - 1992	Language Pathology
1986 - 1987, 1991	Seminar in Language Pathology
1991 - 1992	Diagnostic Evaluation
1992	Speech Pathology
1992	Articulation Disorders

C. California State University, Fullerton

1980	Language Development
1980	Seminar in Neuropathology
1980 - 1981	Language Pathology
1990	Research in Communicative Disorders

D. California State University, Long Beach

1989	Language Development and Disorders in Monolingual and Bilingual Children
------	--

E. Loma Linda University

1989	Materials and Procedures
------	--------------------------

F. East Tennessee State University, Johnson City

1992 - 1995	Phonetics and Phonology
1992 - 1994	Graduate Seminar in Speech-Language Pathology
1992 - 1996	Clinical Supervision-Treatment
1992 - 1997	Clinical Supervision-Diagnostics
1993 - 1995	Articulation and Phonological Disorders
1993 - 1998	Orofacial Pathologies
1994 - 2000	Speech Pathology in the Schools
1997	Language Disorders in Children
1998 - 2008	Pediatric Organic Disorders
1996 - 2000	Child Diagnostic Clinic
1996 - 2000	Child Intervention Clinic
1999 - 2005	Intervention Issues
2002 - 2004	SLP for Audiologists

REVIEWER, PROFESSIONAL JOURNALS

Speech, Language and Hearing in the Schools
Journal of Speech –Language Pathology
Journal of Speech and Hearing Research (ad hoc) Cleft Palate-Craniofacial Journal

PROFESSIONAL COMMITTEES:

1999-Present	Institutional Review Board East Tennessee State University
1998-Present	Child Study Center Advisory Committee East Tennessee State University
1996-1997	Chair, Research Development Committee East Tennessee State University
1995-1996	Chair, Short Review Committee Research Development Committee East Tennessee State University
1994-1996	Chair, Treatment Research in Communicative Disorders Special Interest Group American Speech-Language-Hearing Association
1993-1998	Research Development Committee East Tennessee State University
1992-1998	Curriculum Committee Communicative Disorders East Tennessee State University
1993-1995	Chair, Search Committee of four Faculty Positions Department of Communicative Disorders East Tennessee State University
1982-1985	Professional Advisory Board Department of Communicative Disorders California State University, Long Beach
1985-1986	Infant Program Advisory Committee Regional Center of Orange County Orange, California
1985-1988	High Risk Infant Consortium Orange County Department of Health Santa Ana, California

PROFESSIONAL COMMITTEES:

1986-1988	Professional Advisory Board Orton Dyslexia Society-Orange County
1988-1990	Chairperson Council for Resources for Infants for at Risk Orange County Department of Health

40. Scherer, N. J., and D'Antonio, L. (June, 2000) Profiles of speech and language impairment in young children with Velocardiofacial syndrome, Bringing the 22q Deletion into the 21st Century, Philadelphia.
41. Scherer, NJ and D'Antonio, LD. (June, 2000) Communication Issues, Bringing the 22q11.2 deletion into the 21st century, Philadelphia, PA.
42. Rodgers, J.R. and Scherer, N. J. (November, 2000) Communication profiles of children with Velocardiofacial syndrome and Down syndrome. Poster presented at the American Speech-Language-Hearing Association Convention, Washington D.C.
43. Scherer, N. J., Williams, A. L., Henley, P. J., Lambert, A., Lassiter, L., and Osborne, J. (November, 2000) Early vocalization profiles in children with and without cleft palate. Paper presented at the American Speech-Language-Hearing Association Convention, Washington D.C.
44. Scherer, N. J. (June, 2001) Early vocalizations and later speech production in children with cleft lip and/or palate, Paper presented at the 9th International Congress on Cleft Palate and Related Craniofacial Anomalies, Goteborg, Sweden.
45. Scherer, N. J., and Lohmander, A. (June, 2001) Early speech and language development in children with cleft: Evidence from American and Swedish children, Paper presented at the 9th International Congress on Cleft Palate and Related Craniofacial Anomalies, Goteborg, Sweden.
46. Brothers, M and Scherer, N. J. (July, 2002) Effects of a parent-implemented parent training program for children with cleft palate, ix International congress for the study of child language and the Symposium on research in child language disorders, Madison WI.

PRESENTATIONS:

47. Brothers, M and Scherer, N. J. (November, 2002) Parent-implemented parent training for children with cleft palate, American Speech-Language-Hearing Association Convention, Atlanta.
48. Lowe, K. and Scherer, N. J. (November, 2002) Early academic performance in children with cleft palate, American Speech-Language-Hearing Association Convention, Atlanta.
49. Scherer, N. J. (April, 2003) Early intervention of speech in children with cleft palate, American Cleft Palate-Craniofacial Association Convention, Asheville, NC.
50. Scherer, N. J. (October, 2003) Early speech and language development in children with Velocardiofacial syndrome, 16th Annual Cleft Lip and Palate Symposium, Atlanta.
51. Scherer, N. J. (October, 2003) Early intervention for children with clefts: The role of parent, 16th Annual Cleft Lip and Palate Symposium, Atlanta.
52. Scherer, N. J. (November, 2003) Parent-implemented speech and language treatment for young children with cleft palate. American Speech-Language- Hearing Association Convention, Chicago.
53. Scherer, N. J. and D'Antonio, L. (July, 2004) Longitudinal study of speech and language in children with 22q11.2 deletion. 10th International Meeting of the Velo-cardio-facial Syndrome Educational Foundation and the Fourth International Conference for 22q11.2 Deletions, Atlanta, GA
54. McGahey, H. and Scherer, N. J. (November, 2004) Early speech and language development: A comparison of typically developing children and children with cleft palate. American Speech-Language-Hearing Association Convention, Philadelphia.
55. Maas, D., Lawlor, A., Brady, B., Ingle, S., and Scherer, N. J. (November, 2004) Comparison of methods for obtaining vocalization samples in young children, American Speech-Language-Hearing Association Convention, Philadelphia.
56. Scherer, N. J. (March,2005) Early intervention and parent training models for children with cleft palate, Tennessee Association of Audiology and Speech Language Pathology, Knoxville, TN.
57. Tracey, J., Wilkinson, A., Tignor, T. and Scherer, N. J. (March, 2005) Comparison of two methods for determining speech accuracy in children with clefts, Tennessee Association of Audiology and Speech Language Pathology, Knoxville, TN.
58. Tracey, J., Wilkinson, A., Tignor, T. and Scherer, N. J. (March, 2005) Comparison of two methods for determining speech accuracy in children with clefts, Tennessee Association of Audiology and Speech Language Pathology, Knoxville, TN.

PRESENTATIONS:

59. Scherer, N. J., Chapman, K., Hardin-Jones, M. and D'Antonio, L. (November, 2005) Early assessment and intervention in children with clefts, American Speech-Language-Hearing Association Convention, San Diego, CA.
60. Scherer, N. J. (January, 2006) Early intervention and parent training models for young children with clefts, International Conference on Treatment of Speech Disorders in Individuals with Cleft Lip and Palate, Loma Linda University, CA.
61. Scherer, N. J. (November, 2006) The impact of early intervention on speech development in children with clefts. American Cleft Palate-Craniofacial Association Convention, Vancouver, BC.
62. Scherer, N. J. (October, 2006) Strategies for early intervention for children with cleft palate, 1st National Phoniatic and Audiologic Conference, Warsaw, Poland.
63. Scherer, N. J. (October, 2006) Training parents of children with communication disorders, 1st National Phoniatic and Audiologic Conference, Warsaw, Poland.
64. Scherer, N. J., and Kaiser, A. (November, 2006) Supporting parents in facilitating their children's communication, Miniseminar-American Speech-Language- Hearing Association Convention, Miami.
65. Scherer, N. J., Heggie, G. and Edenfield, S. (March, 2007) Alternative funding sources for allied health programs: Challenges and pitfalls, Association of Schools of Allied Health Programs Convention, San Diego.
66. Smith, J., Scherer, N. J., and Kaiser, A (June, 2008) Promoting speech and vocabulary development through specialized storybooks in children with and without cleft palate, Symposium on Research in Child Language Disorders, Madison WI.
67. Scherer, N. J. (October, 2008) Establishing an early intervention program for children with cleft lip and/or palate, 11-th International Conference of Slovak Association of Logopaedists, High Tetras Mountains, Slovakia.
68. Scherer, N. J. (October, 2008) Techniques for facilitating speech and language simultaneously in young children with craniofacial conditions, Comenius University, Bratislava, Slovakia.
69. Scherer, N. J. Kaiser, A. and Smith, J. (April, 2009) Using specialized storybooks to train parents of young children with cleft palate, American Cleft-Craniofacial Association Convention, Scottsdale, AZ.
70. Williams, L., McLeod, S., McCauley, R., Scherer, N. J., et. al (November, 2010) Interventions for speech sound disorders in 2010, Short Course, American Speech-Language-Hearing Association Convention, Philadelphia.
71. Boyce, S., Martin, G., Skinner, C., Wetherholt, K and Scherer, N. J. (November, 2010) Communicative acts and word acquisition in toddlers with cleft palate, American Speech-Language-Hearing Association Convention, Philadelphia.

PRESENTATIONS:

72. Scherer, N. J. (April, 2011) Special Interest Group Meeting Presenter, [Invited Presentation] The Craniofacial Society of Great Britain and Ireland, York, England.
73. Scherer, N. J. (April, 2011) Speech-language intervention for young children with cleft palate: Maximizing development from birth to 3 years,[Invited Presentation] The Craniofacial Society of Great Britain and Ireland, York, England.
74. Scherer, N. J. (April, 2011) Speech and language therapy in 22q11 deletion syndrome- the USA perspective, [Invited Presentation] The Craniofacial Society of Great Britain and Ireland, York, England.
75. Scherer, N. J., Williams, A.L., Stoel-Gammon, C., and Kaiser, A. (September, 2011) Assessing single word production in children under 3 years of age: Comparison of children with and without cleft palate, 9th European Craniofacial Congress, Salzburg, Austria.
76. Scherer, N. J., Boyce, S., and Martin, G. (September, 2011) Longitudinal analysis of rates of gesture, vocalization and word use in toddlers with cleft palate, 9th European Craniofacial Congress, Salzburg, Austria.
77. Scherer, N. J., Kaiser, A., Roberts, M., Frey, J., Totino, L., and Mullins, K. (November, 2011) Parent and child characteristics of young children with repaired cleft lip/palate, American Speech-Language-Hearing Association Convention, San Diego.
78. Frey, J., Mullins, K., Kaiser, A., Scherer N. J., and Totino, L. (November, 2011) Investigating responsiveness to recasting in children with cleft palate, American Speech-Language-Hearing Association Convention, San Diego.
79. Goldstein, H., Scherer, N. J., Van Dam, M., Coston, J., Kastler-Davis, S., and Percy, M. (November, 2011) Consumers guide to LENA: Comments and recommendations from expert users, [Invited Presentation] American Speech-Language-Hearing Association Convention, San Diego.
80. Williams, L., Louw, B., Bleile, K., Keske-Soares, M., Trindade, I., and Scherer, N. J. (November, 2011) US-Brazil cross-linguistic consortium in speech and hearing sciences, American Speech-Language-Hearing Association Convention, San Diego.
81. Scherer, N. J. (December, 2011) Establishing a model of early intervention for Brazil, Orofacial Clefts and Related Anomalies, University of Sao Paulo-Bauru, Brazil.
82. Scherer, N. J. (December, 2011) Early diagnosis and intervention for children with clefts, Orofacial Clefts and Related Anomalies, University of Sao Paulo-Bauru, Brazil.
83. Scherer, N. J. (February, 2012) Speech and language interventions for children with cleft palate: A developmental perspective, Mid-South Conference on Communicative Disorders, University of Memphis, TN.

PRESENTATIONS:

84. Scherer, NJ, Kaiser, A., Mullins, K., Totino, L. (April, 2012) Efficacy of an early intervention for children with cleft palate, American Cleft Palate-Craniofacial Association Convention, San Jose, CA.
85. Scherer, NJ & Oravkinova, A. (June, 2012) Longitudinal comparison of early speech and language milestones in children with cleft palate: A comparison of American and Slovak children. International Clinical Linguistics and Phonetics Conference, Cork, Ireland.
86. Scherer, NJ, Williams, AL, Kaiser, A, Roberts, M., Frey, J, Stoel-Gammon, C. (June, 2012) Efficacy of an early speech intervention for children with cleft palate. International Clinical Linguistics and Phonetics Conference, Cork, Ireland.
